

2012 Telluride Workshop on Nucleic Acid Chemistry

Marc Greenberg and Kent Gates organizers

(K.G. 573-268-2218; M.G. 720-220-0144)

Note: The meeting room at the conference site has a typical LCD projector set-up. The presentations are scheduled for 30 minutes, followed by 15 minutes for discussion and computer change-over. Dress for the conference is “mountain casual” (that is, shorts are OK). Dress for the dinner on Wednesday might be slightly nicer but nothing in Telluride is very formal and, certainly, no jackets are required!
