

## 2016 Telluride Workshop on Nucleic Acid Chemistry\*

**Organizers: Scott Silverman and Sheila David**  
(Scott's cell 217-766-3986; Sheila's cell 530-219-1083)

**TSRC administrative host: Kristen Redd 970-708-0827; [kristen@telluridescience.org](mailto:kristen@telluridescience.org)**

**Location: [Telluride Elementary School, 447 West Columbia Ave., Telluride CO 81435](#)**

Note: The meeting room at the conference site (school) has a typical LCD projector setup. The presentations are scheduled for 30 minutes each, followed by 15 minutes each for discussion and computer change. Dress for the conference is "mountain casual" (meaning that shorts are OK). Dress for the dinner on Thursday might be slightly nicer, but nothing in Telluride is very formal and, certainly, no formal wear (jackets, ties, dresses) is expected!

**Sunday, July 24th**
