

**TSRC workshop Interfacial Molecular and Electronic Structure and Dynamics
06/17/2018 - 06/21/2018**

Program organizers: Ana Vila Verde, Julianne Gibbs, Paul Cremer

Location: "new" wing of the Intermediate School at 725 West Colorado Ave, Telluride, CO 81435 (Same location as 2017, but different from 2016)

19 participants

Our breakfast slot is 08h00-08h30.

Talks should not be longer than 30 mins to allow for enough discussion time

Note changes in Sunday and Wednesday schedule from previously posted-version!
